"FLORAL" HIGHWAY

Many local readers of the Review have recently enquired as to the headway being made as regards the proposed "Floral" highway with "Lookouts" from Sidney to Victoria.

Right at the present time a small committee is concentrating their efforts on the proposition of acquiring property at the top of the Experimental Farm Hill for the purpose of establishing a lookout parking area. We expect to have important news regarding this particular work next issue.

In the meantime we have explained the idea of the floral highway to the Hon. F. M. MacPherson, Minister of Public Works, and here-with publish his reply:

MINISTER OF PUBLIC WORKS
Province of British Columbia

Victoria, November 4, 1935.

Mr. Hugh J. McIntyre,

Saanich Peninsula & Gulf Islands Review,
Sidney, B.C.

Dear Mr. McIntyre,

This will acknowledge receipt of your letter of November 1st, regarding a "floral" highway from Sidney to Victoria, and I wish to congratulate you on your public spirit.

As far as this Department is concerned, you may count not only on my personal support but also on any assistance or suggestions the Department may find it possible to render.

Yours faithfully,

F. M. MacPHERSON.

The idea of a floral highway has been endorsed by many individuals and organizations locally and has attracted outside attention as well. For instance, Albert B. Lord, lately president of the Seattle Real Estate Board, in noticing that Pemberton & Son Ltd., of Victoria, had endorsed the Review's plan of preserving beauty spots for public use, forwarded the following note to the Victoria firm:

"Beauty spots on Vancouver Island are unsurpassed on the Pacific Coast. I congratulate you on your civic courage."

The Review is seeking the aid of a number of prominent park, landscape, nursery and horticultural experts to prepare a systematic program, in co-operation with the Department of Public Works, whereby the road from Sidney to Victoria will gradually take on the appearance of a floral highway. The effort is to be voluntary, service clubs, agricultural and horticultural societies, Boy Scouts, etc., to give a little of their time each year, under expert guidance, to beautify the highway.

Remembrance Day

NOVEMBER 11TH, 1935

They shall not grow old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun, and in the morning
We will remember them.

WIDE INTEREST IN DRAMA

As an appreciation of drama is spreading so rapidly throughout the Dominion and especially in this province, we feel sure that our readers will be interested to know that the idea of the annual Canadian Drama Award, a recognition of service rendered by individual men and women to the cause of cultural development, originated in our province, and has been developed and put into operation by the British Columbia Drama Festival Association.

Twenty-five diplomas were given this year. The complete list of recipients throughout the Dominion has already appeared in the press.

The representative of this province to be so honored was Harold Nelson Shaw, one of the pioneers of the drama movement in Canada.

The entire expenses of the Canadian Drama Award have been borne by Mrs. Walter C. Nichol, wife of the late Lieutenant-Governor, a well-known patron of the arts.

Recommendations for next year's awards are sought by the committee and should be sent to L. Bullock-Webster, 811 Linkleas Avenue, Victoria.

A Hallowe'en Prank Worth Mentioning!

An unusual Hallowe'en prank was committed in Sidney last Thursday when a representative of a Victoria automobile house called at the home of Rev. Thos. Keyworth and left him a beautiful new 1935 Hudson Terraplane motor car — the only stipulation being, he must take Mr. Keyworth's old car and the donor be unnamed. Needless to say Mr. Keyworth and his family are very happy and wish that all Hallowe'en stunts had been as generous and as practical as that which befell them.

MEN'S SUPPERS TO COMMENCE

The sixth series of the men's supper meetings will get under way next Wednesday evening, Nov. 13th, when Prof. E. S. Farr of Victoria will be the guest speaker. There is quite a galaxy of eminent speakers and thinkers booked for this year's series, including Dr. Weir, Minister of Education, Dr. Murphy, who captivated the organization on previous occasion, Prof. Elliot of Victoria College on science, Dr. Cassidy on social matters, and others.

The general theme for the season is more pretentious in character than has yet been attempted and may best be expressed in such terms as the following: In what way are the various sciences and professions anticipating the profound and far-reaching change in the structure of civilization that is foreseen in the foretold decrease of population and the unnecessary for manual labor.

The series promises to be very interesting. The supper will be served as usual at 6:30 p.m. and be followed by the speaker and discussion.

The meetings will continue to observe the same detachment from political or religious organizations, and men of all shades of opinion will find common ground and fellowship.

A cordial invitation and welcome is extended to all.

GOLF CLUB AT MAYNE

MAYNE ISLAND, Nov. 6. — Meeting in the Grandview Lodge, Mayne Island, leading people from Galiano and Mayne Islands decided upon the formation of a golf club.

The course decided upon has already been played on for a considerable time by enthusiasts and the nine holes take a bit of negotiating even for first flight players.

The Mayne Island Golf Course is located at Hardacre Farm, owned by William Deacon — an island pioneer well-known to agriculturists all over the province as Mr. Deacon is one of the best judges of horses in the vicinity.

The Hardacre Course is about one mile and one-half from the C.P.R. Mayne Island wharf.

Active operations are now in progress looking to bringing the greens and fairways up to date and the club committee will shortly announce the green fees payable by other than club members.

Ent five dollars per annum. Ample accommodation for visitors is available at the Grandview Lodge, which adjoins the C.P.R. wharf.

The club committee is as follows: Mrs. Stevenson, Galiano; Capt. J. Fleck, Mayne; Col. J. Robb, Mayne; Capt. W. T. E. Robb, Mayne; Capt. W. M. Green, Mayne; honorary secretary, Mrs. D. Akerman.

POTATO NIGHT ON THURSDAY

Locally grown potatoes will be of first importance at the meeting of the North and South Saanich Horticultural Society on Thursday of this week in Wesley Hall when the Saanich Potato Club will present specimens of the 1935 crop. Directed by the Department of Agriculture under E. R. Hall and sponsored by the local Horticultural Society the club has completed its second year.

Prizes for the season's work will be awarded on this occasion and will be presented by H. Whitecock, president of the Victoria Horticultural Society.

Other features of the meeting will be the address by J. B. Munro, Deputy Minister of Agriculture, and the series of 10-minute demonstrations to be given by the members of the potato club.

The entire program will no doubt prove very profitable to all and those interested are given a cordial invitation to be present, though all attending are asked to take along something pertaining to the potato.

GALIANO C.C.F. CLUB MEETING

GALIANO, Nov. 6. — The regular monthly meeting of the Galiano C.C.F. Club was held in Galiano Hall on Saturday, Nov. 2nd, with the president in the chair.

The regular business was concluded in record time and a well sustained discussion on various angles of economic principles followed, after which a very interesting talk on the "Natural Life and Beauties of the Queen Charlotte Islands," given by S. Wormald, was much enjoyed. On the motion of Mr. Heryet the hearty thanks and appreciation of the audience was expressed in no uncertain manner.

A social hour concluded a well spent evening.

CANNERY NOW BUSY ON CLAMS

Activity for the winter season is already underway at the Saanich Cannery Company, foot of Beacon Avenue, for a large gang of workers is now employed putting through the first of the clams for the 1935-36 shipments.

LARGE AUDIENCE HEARS PERFORMANCE BY CHOIR

Another flattering audience greeted the Elgar Choir last evening when they appeared in their third concert since inauguration 18 months ago. All seating capacity in Stacey's Hall was utilized as music lovers from all parts of the district gathered to hear the presentation, J. W. Buckler, the well-known choir master, leading his singers in a program of outstanding selections. Miss Gertrude Straight, L.R.S.M., A.T.C.M., acted as accompanist throughout.

Two guest artists assisted the choir in its concert, Miss Freda Spencer, soprano, the winner of the Rose Bowl at the recent Victoria Musical Festival, and Miss Kathleen Lowe, L.R.S.M., solo pianist. Both artists were well received and heartily applauded by the listeners.

A. W. Hollands, president of the Elgar Choir, spoke a few words of welcome at the opening, and also expressed pleasure in being able to present to the audience the finest artists of the evening. Comprising part songs, choruses, duets and solos the performance was altogether a delightful one and many words of praise have been heard from all sides on the excellent evening offered to the district by the local organization.

The choir theme song "Land of Hope and Glory" by Elgar opened the program, followed by another part song by the choir, "You Stole My Heart."

Miss Straight's Rhythm Band, comprised of pupils of various ages, next presented three folk songs, directed by Miss Winifred Jeffery. The band started by Miss Straight has made excellent progress in time and rhythm and directors and pupils are to be complimented on their showing.

"When Song Is Sweet" and "Ride A Cock Horse" were next offered by the choir, followed by two duets by Miss Josephine Charlebois and J. W. Buckler, entitled "The Moon Hath Raised Her Lamp Above" and "The Spider and The Fly." The part song "The Ash Grove" sung by the male choruses was equally well received.

Miss Spencer chose as her selections "The Hills of Home" and "The Star." Both were beautifully rendered and received hearty applause from the audience. She sang as her encore number "Rose In The Bud" by Dorothy Foster.

The "Scottish Fantasia," the next number by the choir, was among the most delightful of the entire program.

The Elgar Male Quartette, consisting of W. Jones, W. J. Gush, J. Thomas and C. E. Toomer, received its usual ovation in the presentation of "A Wet Sheet and A Flowing Sea," and "The Owl and the Pussy Cat."

"Callin' Herrin" and "The Dance" another group of two.

Miss Lowe in her lovely interpretation of "Caprice Espagnol" and "Romance" appealed to her audience in no small manner and received well merited applause as she concluded. Again in her rendering of an encore, "Alten" for the 1935-36 shipments.

by Godowsky. Miss Lowe showed her ability. The lovely selections "Night Hymn At Sea" and "The Prayer Perfect" were sung in a fitting manner by the ladies' chorus.

Walter Jones, one of the choir's soloists, followed and in his usual pleasing manner presented his two numbers, the first a Welsh air, "O! Na Byddai'n Haf O Hyd" (Oh, That Summer Smiled For Aye) and "My Little Welsh Home," singing for an encore another Welsh folk song, "Idle Day In Summer."

As a climax to the evening Handel's beautiful chorus "Let Their Celestial Concerts" was sung with intense feeling by the choir — at the conclusion of which the appreciation of the entire program was expressed in the applause from the audience.

Pleasing events of the evening took place when bouquets were presented to Miss Jeffery, Miss Spencer, Miss Lowe and Miss Straight.

J. W. Buckler, the energetic leader of this local musical body, is to be complimented on the high standard of the evening's performance as also is each member for the individual parts played.

Boy Scouts under Scoutmaster King acted as ushers for the evening.

"REMEMBRANCE"

Seventeen years ago the "All Clear" sounded and the guns of death were silent. To ears long accustomed to the noise of bursting shell and bomb, to the whine of machine-gun bullet, the silence which followed had the sanctity of a Sabbath morning.

The job was done, the years of dirt, desolation and death were ended and a new world was to break on the horizon of our lives. The trail had been long, 51 months long, and the thoughts of most of us turned to the pals who had started on that trail with us but had fallen out on the march. Things were going to be different in this new world, we thought, perhaps, after all the struggle and sacrifice would be worth it all, at any rate, we had done our best and the world acclaimed it a good best.

Seventeen years after what do we find? "A mad world, my masters," a world in which war, revolution, assassination and jealousy seem to be the order of the day.

In our own country as elsewhere scarcity takes the place of abundance and to men anxious to work even that is denied them.

Our wheat is a glut on the world's market and other countries are manufacturing the goods we want to sell.

In the midst of it all stand the ex-service men, the majority of them coming to the age when they will be unemployed; burned out from the years of service.

On Monday, 11th November, we observe Remembrance Day. A day set aside for the remembrance, not only of those who paid the supreme sacrifice but of those who still bear the brunt and the burden of the day.

The symbol of remembrance is the poppy and in the manufacturing of which hundreds of disabled ex-service men, throughout Canada, are able to keep the wolf of want from their door. The poppy fund to which you will be asked to contribute on Saturday first, is for the purpose of bringing assistance to any ex-service man or his dependents who are in need.

Let us see to it, that their call will not go unheard and unanswered.

ORDER OF PARADE

The annual Remembrance Day Service will be observed in Memorial Park, Sidney, on Monday, 11th November, at 11 a.m.

Members will "fall in" opposite the park gate at 10:45 sharp. All ex-service men and women are requested to take part in the service and parade along with their comrades of the Legion. Please wear medals and decorations for this Service of Remembrance.

Through the courtesy of the Editor the program for the service is given a more prominent place in this issue of the Review.

11TH ANNUAL DINNER

The eleventh annual dinner, under the auspices of the North Saanich Branch of the Canadian Legion, will be held in the Masonic Hall, Saanichton, on Monday evening, Nov. 11th, at 7 o'clock.

A good program has been arranged and the dinner will meet the highest expectations. All ex-service men in the district are invited and a pleasant evening among old comrades is assured.

Tickets can be secured from the committee or at the hall on the evening of the dinner.

"It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: **THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.**

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the 'ammer, 'ammer, 'ammer that brings the business in. Remember—

DEATHS

ISLAND PIONEER PASSES—FULFORD, Nov. 6.—A largely attended funeral service for the late John Carter Mollet, who passed away at his home at Passford Harbour on Sunday evening, was held on Tuesday afternoon at Saint Mary's Church, Fulford, Rev. C. H. Popham officiating.

Many beautiful floral tributes covered the casket and hearse and the large gathering of friends testified to the esteem of the deceased.

The hymns sung were "Peace, Perfect Peace" and "Rock of Ages" and the following acted as pallbearers: H. Ruckle, William Patterson, H. Price, Dave Maxwell, J. Cairns and Ted Akerman. The remains were laid to rest in the family plot in Saint Mary's Cemetery.

The late Mr. Mollet was 84 years of age and 51 of those years had been spent on Salt Spring Island where he was known and respected by all. Born in Jersey, Channel Islands, the deceased came to Canada 72 years ago. He is survived by one daughter, Mrs. J. H. Lee; two sons, Philip Charles and Alexander John, all of Fulford Harbour, and one brother, Philip Mollet, in Ontario.

DEATH CALLS PIONEER

A link with the early days of the district was severed with the death late Tuesday afternoon of Alexander Murray McKenzie, well known pioneer, who passed away at the family residence, East Saanich road, at the age of 82 years.

Mr. McKenzie was born in Pictou County, Nova Scotia, on July 24, 1853, and received his early education in the east. In 1873 he came west to Vancouver Island where he was interested in mining and worked as a construction official during the building of the Newcastle Island coal shaft. Later Mr. McKenzie joined a C.P.R. survey party. He returned to Saanich in 1880 and was that year married to Miss Helen Thomson, daughter of the late William and Mary Thomson, who were among the earliest settlers. Miss Thomson was the first white girl to be born in Saanich. The ceremony was performed at Saint Stephen's Church, Mount Newton.

During the years 1886 to 1893 Mr. McKenzie was a construction foreman on the E. & N. Railway lines. During that time he was also section foreman, working between Langford and the Malahat tunnel. Mr. McKenzie resided at Summit House for some time and became well known to hunters in the late eighties.

Continuing his railroad career.

GIRL GUIDING

Be Prepared

The meeting was held Wednesday, Oct. 30th. A game was played and court of honor held. We are very sorry to hear that we are to lose our captain, Mrs. Gibbons. The meeting closed after Miss Jost read us a story.

Mr. McKenzie built the Extension Mine railway and also the big tunnel there. He then turned to prospecting and for several years covered the northern portion of Vancouver Island for the Canadian Collieries.

Always a great worker in various organizations the deceased was an honorary member of both Victoria-Quadra Lodge No. 2, A.F. & A.M., and Mount Newton Lodge No. 89, A.F. & A.M., and a charter member of three Loyal Orange Lodges, Lodge No. 1426, Saanich Lodge and Royal Black Perceptory.

Mr. McKenzie is survived by his widow, at home; two sons, Hugh W. McKenzie, Duncan, and Dr. R. Murray McKenzie, Ketchikan, and five daughters, Mrs. R. E. Nimmo, Saanich; Mrs. Harold Kennedy, Sidney; Mrs. Arthur Pitts, England; Miss Mildred McKenzie, at home; and Mrs. A. Dorman, Kimberley; nine grandchildren and one great-grandchild.

Funeral arrangements are not yet announced.

CARD OF THANKS

The Catholic Ladies of North Saanich wish to thank their many friends in the district who so generously supported the Annual Military 500 and Social Evening held under their auspices. This support is doubly appreciated considering the inclemency of the weather on the night of the affair.

Do A Good Turn Every Day!

"Be Prepared"

The regular meeting was held on Saturday evening, a number of parents of the boys and the committee attending. There was not as many present as we should have liked to have seen.

The patrols put on demonstrations of Scout work. The Lions were the duty patrol. The Bulldogs put on the best demonstration. R. Slater received his knotted badge, Ben Mounce his dairyman's, and Bob Willis his airman's.

The boys have been busy on the paper but we want more yet.

Next Monday being Armistice Day all Scouts and Cubs are asked to be at the hall at 10:30 sharp to take part in the service.

There will be an examination in the firman's badge next Saturday evening.

CUB NOTES

"Do Your Best"

The regular meetings of all packs were held. Good, but tired, meetings were reported. I think too much Halloween party.

On Thursday evening the combined packs held a party in the hall under Acting Akela Grace King and Jim Baldwin. With the help of Instructors Carter and Baker the boys had a very good time. Games were played and apple bobbing, with fireworks, a feed of cake, etc., then story-telling brought the evening to a close.

ROVER NOTES

"Service"

All Rovers are asked to attend the Armistice service on Monday at 10:45.

"You can't stop stoking a steam engine" said Wrigley

Interviewed, and asked to what he attributed his phenomenal success, the late Mr. Wrigley, of chewing gum fame, replied, "To the consistent advertising of a good product."

"But," asked the reporter, "having captured practically the entire market, why continue to spend vast sums annually on advertising?"

Wrigley's reply was illuminating.

"Once having raised steam in an engine," he stated, "it requires continuous stoking to keep it up. Advertising stokes up business and keeps it running on a full head of steam."

This applies to your business, too. Don't make a secret of your product. Tell people all about it. Tell them what it does. Tell them its advantages. Tell them where to get it. Tell them through the Press and keep on telling them.
